Re: Funding Available for Technology

The Compensation Board has asked that you be directly made aware of current funding available to your Circuit Court Clerks for the specific purpose of automating their land records in order to provide secure remote access (SRA) to those records on or before June 30, 2006 (General Assembly intent per Code of Virginia, §17.1-279.I.).

On a statewide basis, \$12,867,436 was available to Circuit Court Clerks as of June 30, 2005. The specific breakdown available to your Clerk is available on the Compensation Board's website at <http://www.scb.virginia.gov/docs/ttffy06approved.pdf>.

We will be pleased to answer any questions you may have regarding Compensation Board funding, and hope that you will offer such assistance as may be needed to your Circuit Court Clerks so that the June 30, 2006 deadline may be accomplished.
